Thank you for your interest in Pexco, Davidson Traffic Control Products!

We are pleased to introduce to you our Engineering Support website, CADdetails.

Please take a moment to visit our updated listing at **www.CADdetails.com** where you will find information on all of our traffic control products. CADdetails provides access to free, downloadable files which allow designers and engineers to design Pexco / Davidson products right into traffic control plans and contracts. Engineering drawings are available in the following five formats:

- **AutoCAD DWG**
- **Adobe PDF**
- **AutoCAD DWF**
- **Printable CAD**
- **VectorWorks VXW**

Simply follow these instructions to use this free service:

1. Go to CADdetails.com, a web-based service of AutoCAD, and follow this link: **www.caddetails.com**

2. In the "**Quick Search**" box, enter the word "**Pexco**" and click on "**Pexco, Davidson Traffic**"

3. Images of product groups are displayed or you can click on **"Listings"** to display a list of 19 different product groups.

4. Click on your product of interest (i.e. **City Post**)

5. A window will open asking for your email address, prompting first time users to register

   Under each individual product, the following information is available:

   a. **CAD and 3D Downloads** – view detailed product CAD drawings for inclusion in bids and contracts. From this screen engineers are able to *"drag and drop"* engineering drawings directly into their plans using the "**i-drop**" feature.

   b. **SPECS** – detailed material specifications for inclusion in bids and contracts.

   c. **ABOUT** – general discussion of features, advantages and benefits.

   d. **MEDIA** – download our product information sheet to read, print or share.

   e. **ASK A QUESTION** – creates an email from registered users to Pexco requesting additional information.

When prompted to enter your email address, please register. This service is *free to all users*. If you have any questions, feel free to contact us; we will be happy to assist in every way.

Thank you for your interest in Pexco, Davidson Traffic Control Products.
